

**REQUEST FOR PROPOSALS
MISCELLANEOUS ENGINEERING SERVICES
RFP 19-22**

The Sussex County Council is hereby soliciting proposals from qualified Professional Engineering Firms to provide **Miscellaneous Engineering Services** to support the Engineering Department on projects over a five-year period. Services will include but are not limited to various planning, design, permitting, and construction phase components of civil and municipal improvement projects.

All services shall be assigned on an as-needed basis only, dependent solely on the necessity of County project quantity and scope. There is no guarantee of actual agreement value.

Sussex County shall determine that firms meet the minimum qualifications, based upon items addressed in the proposals that are received, consisting of the following criteria:

Experience and reputation

Expertise

Capacity to meet requirements (size, financial condition, etc.)

Location (geographical)

Demonstrated ability

Familiarity with public work and its requirements

In addition to the above, other criteria necessary for a quality, cost-effective project may be utilized.

Sussex County intends to select two (2) of the qualified firms for negotiation of base service agreements which the County determines fair and reasonable.

Interested parties may obtain an RFP Information Package by contacting Kaycee Widen at (302) 855-7718. Parties must submit information as specified in the RFP Information Package to Engineering Administration, Sussex County Engineering Department, 2 The Circle, P.O. Box 589, Georgetown, Delaware 19947, no later than **4:00 p.m. on Friday, March 1, 2019.**

Questions relative to this request for proposals should be submitted in writing to Mr. Hans Medlarz, P.E., Sussex County Engineer at hans.medlarz@sussexcountyde.gov no later than 4:00 PM on February 18, 2019.
